

**State Environmental Policy Act (SEPA) Determination of Non-Significance (DNS)
Available for Public Review & Comment –**

Corner Express (Texaco) site, Facility Site ID No. _____, 1131 Morgan Street, Davenport, 99122, Lincoln County

Ecology is *issuing a determination of non-significance (DNS)* under the State Environmental Policy Act (SEPA, Chapter 197-11 WAC) for cleanup at the Corner Express (Texaco) site.

After review of the completed environmental checklist and other site specific information on file, Ecology (as the lead agency) has determined that the cleanup of petroleum contamination in soils and groundwater will not have a probable adverse impact on the environment. Cleanup includes the following:

- Complete removal of the UST system, including all tanks and associated piping;
- Removal of all soils within the UST system excavation;
- Installation of a groundwater air-sparge system;
- In-situ groundwater treatment;
- Installation of a soil vapor extraction system;
- Remedial action performance monitoring; and
- Long-term groundwater monitoring.

The SEPA DNS, SEPA Checklist and other site related information may be reviewed at the following locations:

- Davenport Public Library, 411 Morgan, Davenport, WA 99122
- Department of Ecology, Eastern Regional Office 4601 North Monroe, Spokane, WA 99205.

For more information or to submit written comments, please contact Mr. Michael Boatsman, Site Manager, at the Ecology address listed above or at (509) 329-3492, e-mail at mboa461@ecy.wa.gov.

Public comments will be accepted December 26, 2002 through January 9, 2003.
